

Talbot Carlow supporting Road Safety this Winter

Talbot Hotel Carlow have joined forces with Dooleys Motors and are now offering Guests who stay overnight in the Talbot Hotel this winter a FREE Medical Health check on their vehicle which means total convenience to the road user in getting their cars road safety checked out while they check themselves into the comfort of a 4 Star Hotel !

‘After the winter snow last year everyone is making road safety & their cars a priority this winter and we are now the one stop shop for that’ advised Ken Battigan General Manager of Talbot Hotel Carlow. While a guest can check in to the 4 star Talbot Hotel, Dooleys motors next door to the Talbot have joined forces to offer every guest a **FREE Motor Medical Health check** on their car. ‘Dooley Motors are committed to ensuring that customers enjoy safe and reliable motoring in the most convenient way, we will provide you with a full report and an aftercare reminder programme which means you can identify and plan for any future repairs’ advised Rowena Dooley, Financial Controller Dooley Motors

Travelling & Road Safety is everybody’s concern and priority this winter. This is something that we are very aware of at the Talbot Hotel Carlow and we are delighted to be able to provide this convenient free safety service to all of our guests during their stay at the Talbot Hotel Carlow.
